

	Region	Province/Municipality/Autonomous Region	Dominant Industry Sector: Primary/Secondary/Tertiary *	Main industries
1	Anhui	Province	Secondary.	Agriculture, household electronic appliances, electronics, texture, wine and tobacco, daily chemical products.
2	Beijing	Municipality	Tertiary.	Politics, R&D, heavy industries, metallurgy, technology, finance, chemicals.
3	Chongqing	Municipality	Secondary.	Electronics, chemicals, textiles, medical, general manufacturing.
4	Fujian	Province	Secondary.	Electronics, feather and fur, mineral products, fisheries.
5	Gansu	Province	Secondary.	Petrochemicals, metallurgy, mining, electricity production, food and beverage, non-ferrous metals.
6	Guangdong	Province	Secondary.	Electronics, chemicals, bio-pharmaceutical, automotive, construction materials, light manufacturing.
7	Guangxi	Autonomous region	Tertiary.	Power, non-ferrous metals, building materials, machinery, tourism, finance.
8	Guizhou	Province	Secondary.	Agriculture, power, metallurgy, tobacco, chemicals, medical and pharmaceuticals.
9	Hainan	Province	Tertiary.	Agriculture, rubber, tourism, fisheries, herbal medicines.
10	Hebei	Province	Secondary.	Logistics, iron fabrication, steel fabrication, heavy manufacturing.
11	Heilongjiang	Province	Secondary.	Oil extraction, logging, wheat and grain, production.
12	Henan	Province	Secondary.	Agriculture, logistics, heavy manufacturing, machinery, electronics, light manufacturing.
13	Hunan	Province	Secondary.	Metallurgy, energy, electronics, food, energy, building materials, finance.
14	Hubei	Province	Secondary.	Electronics, logistics, fiber optics, lasers, heavy industries.
15	Inner Mongolia	Autonomous region	Secondary.	Farm production and processing, energy, metallurgy, chemicals.
16	Jiangsu	Province	Secondary.	Electronics, chemicals, textiles, medical, general manufacturing.
17	Jiangxi	Province	Secondary.	Agriculture, copper, finance.
18	Jilin	Province	Secondary.	Automobile, petrochemicals, food processing, medical and pharmaceutical, electronics.
19	Liaoning	Province	Secondary.	Metallurgy, petrochemicals, steel operations, logistics, automotive, heavy manufacturing, aerospace, electronics.
20	Ningxia	Autonomous region	Secondary.	Coal, agriculture, metals, power, machinery, chemicals, textiles.
21	Qinghai	Province	Secondary.	Agriculture, hydropower, salt-chemical, non-ferrous metal, oil and natural gas.
22	Shaanxi	Province	Secondary.	Electronics, machinery, pharmaceutical, chemicals, energy, foodstuff, tourism.
23	Shandong	Province	Secondary.	Agriculture, oil, coal, food processing, chemicals, textiles, steel, machinery.

24	Shanghai	Municipality	Tertiary.	Finance, electronics, chemicals, textiles, steel, metal fabrication, medical, petrochemical, logistics.
25	Shanxi	Province	Secondary.	Coal, metallurgy, machine building, power, chemistry, textiles.
26	Sichuan	Province	Secondary.	Agriculture, metallurgy, logistics, coal, iron and steel manufacturing.
27	Xinjiang	Autonomous region	Secondary.	Iron and steel, petroleum, coal, power, non-ferrous metals, mechanical engineering, chemicals, leather, textiles, sugar.
28	Taiwan	Province	Tertiary.	Electronic parts and components manufacturing, tourism, metals, plastics, textiles, chemicals.
29	Tianjin	Municipality	Secondary.	Aviation and aerospace, automotive, petrochemicals, equipment manufacturing, electronics, information, electronics (mobile phones), biotechnology and pharmaceuticals, alternative energy, defense, high industry.
30	Tibet (Xiyang)	Autonomous region	Tertiary.	Tourism, Tibetan medicine, biological products and health food (beverage), farm and animal product processing and traditional handicrafts, mining, building materials.
31	Yunnan	Province	Secondary.	Tobacco, biology, mining, tourism.
32	Zhejiang	Province	Secondary.	Plastics, injection moulding, finance, metal fabrication, textiles and dyes, motor machinery.
33	Hong Kong	Special administrative region	Tertiary.	Transportation, professional and financial services, injection moulding industry, logistics.
34	Macau	Special administrative region	Tertiary.	Tourism, gaming/casinos, textiles, garment and shoe manufacturing.

* Primary sector = extraction of raw materials, Secondary sector = manufacturing, Tertiary sector = retail and service industries.
