**Government Grants**

**Also refer:**
SIC-10 Government Assistance - No Specific Relation to Operating Activities

**Effective Date**
Periods beginning on or after 1 January 1984

---

### DEFINITION

**Government grants:**
- Assistance by government
- In the form of transfers of resources to an entity
- In return for past or future compliance with certain conditions relating to the operating activities of the entity
- Exclude forms of government assistance which cannot reasonably have a value placed on them and which cannot be distinguished from the normal trading transactions of the entity.

### SCOPE

The standard does not deal with:
- Government assistance that is provided for an entity in the form of benefits that are available in determining taxable income or are determined or limited to the basis of income tax liability
- Government participation in the ownership of an entity
- Government grants covered by IAS 41 Agriculture.

### TYPES OF GOVERNMENT GRANTS

#### GRANTS RELATED TO INCOME

A grant receivable as compensation for costs, either:
- Already incurred
- For immediate financial support, with no future related costs.

Recognise as income in the period in which it is receivable.

#### GRANTS RELATED TO ASSETS

A grant relating to income may be presented in one of two ways:
- Separately as ‘other income’
- Deducted from the related expense.

#### NON-MONETARY GRANTS

Non-monetary grants, such as land or other resources, are usually accounted for at fair value, although recording both the asset and the grant at a nominal amount is permitted.

#### RECOGNITION OF GRANTS

Grants are recognised when both:
- There is reasonable assurance the entity will comply with the conditions attached to the grant
- The grant will be received.

The grant is recognised as income over the period necessary to match it with the related costs, for which it is intended to compensate on a systematic basis and should not be credited directly to equity.

### DISCLOSURE

- Accounting policy adopted for grants, including method of statement of financial position presentation
- Nature and extent of grants recognised in the financial statements
- An indication of other forms of government assistance from which the entity has directly benefited
- Unfulfilled conditions and contingencies attaching to recognised grants.
